8. Risk Factors

1. Our Company, Directors and Promoters are parties to certain legal proceedings. Any adverse decision in such proceedings may have a material adverse effect on our business, results of operations and financial condition.
2. Our Company had negative cash flow in recent fiscals, details of which are given below. Sustained negative cash flow could adversely impact our business, financial condition and results of operations.
3. Our Registered Office, Corporate Office and Branch Offices are not owned by us and we have only lease and license rights over them. In the event we lose such rights, our business, financial condition and results of operations, and cash flows could be adversely affected.
4. We are dependent on third-party service providers for a significant portion of our transportation fleet, and any disruption in their availability, increase in costs, or deterioration in service quality may adversely impact our operations, customer satisfaction, and financial performance.
5. We derive a major portion of our revenue from our logistics operations in certain geographical regions. Any adverse developments affecting our logistics operations in these regions could have a material adverse impact on our business, revenue, and results of operations.
6. The average cost of acquisition of Equity Shares by our Promoters is lower than the Issue Price, which may affect investor perception of the valuation of our Company.
7. We operate in a highly competitive industry and increased competition may lead to a reduction in our revenues, reduced profit margins or a loss of market share.
8. Failure to deliver products on time could damage our reputation and impact our business opportunities.

9. Our business relies on India's road network and our ability to use our vehicles without interruptions. Any disruptions or delays could harm our reputation and affect our profits.
10. Our company doesn't own the technology we use to run our business, so if those systems stop working or have issues, it could affect how we operate.

For further details, see “*Risk Factors*” beginning on page 25 of RHP.

9. Details of weighted average cost acquisition of Equity Shares of our Promoters

The average cost of acquisition per Equity Share for our Promoters is:
